(IONE, OREGON))

DOCKET FILE COPY ORIGINAL

To: The Office of the Secretary,
for the Attention of the Assistant Chief, Audio Division, Media Bureau

(CORRECTED) COMMENTS

Klickitat Broadcasting (*Klickitat*), by its communications counsel, hereby files its Comments in the subject rule-making proceeding looking toward the allotment of a Class A FM Channel to the community of Ione, Oregon.

1. By its Petition for Rule Making, Klickitat sought the allotment of Channel 226A to Ione, Oregon as a first local service. In response, the Commission issued the Notice of Proposed Rule Making, 70 Fed. Reg. 8054, DA 05-77 (2005) proposing to allot Channel 295A to Ione.

2. On Klickitat's behalf, last evening, I transmitted Comments to the FCC which stated that Klickitat had decided not to apply for a construction permit for Channel 295A at Ione, if allotted. This was an error on my part. Therefore, I request that these corrected Comments be considered in place of those transmitted last evening, and I regret any confusion.

3. Klickitat restates its intention to apply for a Class A FM Channel at Ione, and if granted authority, to construct, to place the constructed facilities into broadcast service, and

to seek a license to cover those facilities. Therefore, Klickitat asks the Commission to allot a Class A FM Channel to the community.

Respectfully submitted,
